Brad and Earl,

Thanks for your time during the recent routine inspection of the BSX, LLC, NRC license. I know that this continues to be a difficult time with Dan's passing and I appreciate the effort put in to finding and sending the requested documents following the on-site inspection. Brad, as discussed yesterday during the final telephonic exit meeting for the inspection, no violations were identified. The attached NRC Inspection Report indicates that no violations were identified. Please save this for your records. No response to the Inspection Report is required but I am requesting a courtesy email acknowledging receipt.

Please let me know if you have any questions about the Inspection Report and don't hesitate to reach out if you have any questions in the future.

Regards,

Janine
