Attention: V. S. Boyer, Sr. Vice President Nuclear Power

Gentlemen:

The enclosed status report is the eighth issued for the Independent Design Review of the Limerick Generating Station Unit 1 Core Spray System. This report covers the period September 1, 1984 to September 15, 1984.

A copy of this report is being sent directly to the representative of the U. S. Nuclear Regulatory Commission.

Please call me if you have any questions regarding the contents of this report.

Sincerely,

F. D. Carpenter
Project Manager
