LICENSEE'S SUPPLEMENTAL RESPONSE
TO THREE MILE ISLAND ALERT'S
THIRD SET OF INTERROGATORIES

Licensee submits the following supplemental response to Three Mile Island Alert's Third Set of Interrogatories, Interrogatory No. 3:

In addition to the witnesses previously identified, Licensee now intends to call as witnesses Mr. Thomas VanWhitbeck and Dr. Edwin Zebrowski. Mr. VanWhitbeck is a member of Energy Inc. Dr. Zebrowski is a member of the Energy Studies Center affiliated with the Electric Power Research Institute (EPRI).

Mr. VanWhitbeck was a consultant to Licensee involved in Licensee's investigation into the accident sequence of

events. He will testify to Mr. Dieckamp's participation in and awareness of this investigative effort.

Dr. Zebrowski was the director of the Nuclear Safety Analysis Center (NSAC) investigation and analysis of the accident. He will testify to the state of knowledge of the technical people involved and to Mr. Dieckamp's access to and participation in their investigative efforts.

Dr. Zebrowski will probably review the NSAC Report entitled "Analysis of Three Mile Island Unit 2 Accident." This document has already been placed in the discovery room. Both Dr. Zebrowski and Mr. VanWhitbeck will probably review personal notes. Such notes as are relevant to this proceeding or relied upon will be placed in the discovery room once they are identified. Licensee does not yet know what other documents Mr. VanWhitbeck or Dr. Zebrowski will review or rely upon in preparing their testimony, or who, other than counsel, they will consult.

Respectfully submitted,

SHAW, PITTMAN, POTTS & TROWBRIDGE
