Notice of Intent to Pursue Negotiations/Motion
to Compel Discovery vs. FEMA on
Responses mailed 9/28

This is written notice that Wells Eddleman, having received responses (so called) from FEMA via NRC Staff Counsel dated 9/28/84, considers such responses unsatisfactory and unresponsive and is opening negotiations with the Staff (and FEMA if applicable) to get better answers. If these negotiations are unsuccessful, a motion to compel will follow within 10 days. This applies to responses on EPJ contentions I am party to, to 213-a, 240, and 56-C-7.
