Correction of Reload 6 Licensing Submittal

Dear Sir:

The attached Supplemental Reload Licensing Submittal is provided to correct the document number of the submittal provided by letter dated December 28, 1983 (BECO 83-301). This corrected submittal changes only the document number and includes those changes previously made by Revision 1, which was provided by letter dated February 21, 1984 (BECO 84-029). This correction has no impact on the contents or conclusions of the Reload Licensing Submittal.

Very truly yours,

*W.D. Harrington*
