South Texas Project
Unit 2
Docket No. STN 50-499
Clarification to a Change of a Commitment
Made to the Nuclear Regulatory Commission

Reference: Letter from T.H. Cloninger, South Texas Project to the Nuclear
Regulatory Commission, dated August 7, 1995 (ST-HL-AE-5133)

The following statement was made in the referenced correspondence:

"Subsequent to the April 25th overspeed occurrence, Inconel stems were
installed in Unit 1 and Unit 2. "

We wish to clarify this statement by noting that the Unit 1 Inconel stem was replaced during
the fifth refueling outage which ended on April 14, 1995, and the Unit 2 stem was replaced
after the April 25th overspeed occurrence. At the time of the Unit 2 overspeed occurrence,
the Unit 1 Inconel stem was already installed.

If you have any questions please contact S. M. Head (512) 972-7136 or me at
(512) 972-8787.

T. H. Cloninger
