Shoreham Low Power Proceeding

Dear Judge Miller:

Enclosed is LILCO's supplemental testimony in the Shoreham Low Power proceeding. For your information, the Testimony of John T. Christian, Ahmed E. Meligi and Robert C. Wiesel contains as Attachment 4 a report prepared by Sargent & Lundy on the seismic capabilities of the EMD diesels. Because of the size of this report, copies are being provided only to the judges and to the active intervenors, Suffolk County and New York State. The NRC Staff has previously received copies of the report. Any other party that wants a copy should contact me.

Sincerely yours,

Anthony F. Earley, Jr.
