MOTION FOR LEAVE TO FILE LATE

Intervenors, through their undersigned counsel, respectfully motion that the Board grant them leave to file late their response to the Florida Power and Light Company's Motion to Strike.

The good cause requirements for granting the motion are met since Intervenors' Counsel, a sole practitioner, has experienced a press of other business that interfered with his ability to timely respond.

Intervenors' counsel has contacted counsel for the Staff and the Florida Power and Light Company respectively, and they indicate that they do not object to the granting of this motion.

Respectfully Submitted,

Martin H. Hodder
Attorney for the Center
for Nuclear Responsibility
and Joette Lorion
