Dear Dave:

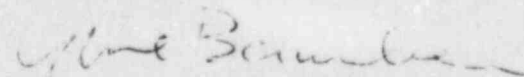

Please find enclosed the following per your request:

- 1) September 28, 1979 Interview of Gary Miller (Senate);
and
- 2) A portion of John Herbein's testimony before the
Kemeny Commission.

As you can see from the portion of Herbein's testimony enclosed, it does not constitute even the major portion of his interview. Prior to binding all interviews for the Board and the parties one of us should obtain a copy of the full interview from the NRC's Public Document Room.

In addition, I am still searching for a copy of Mr. Raymond's notes. As soon as I find them I will forward them to you.

Sincerely yours,

Lynne Bernabei
