SUBJECT: Composition of the Waterford Review
Task Force

REFERENCE: W3B84-0449 dated June 28, 1984
J.M. Cain to D.G. Eisenhower

Dear Mr. Eisenhower:

As part of LP&L's program to address the issues raised in your letter of June 13, 1984, LP&L designated a Task Force to assess the Company's efforts (Reference 1). The Task Force was composed of three members, R.L. Ferguson, L.L. Humphreys, and Saul Levine. I regret to inform you that Mr. Levine passed away Thursday, October 18, 1984. Since the program is very close to completion, I have determined not to designate a replacement for Mr. Levine on the Task Force. I have consulted with the remaining Task Force members on this matter and they concur in this approach.

Sincerely yours,

J.M. Cain
