Re: Catawba Nuclear Station
Docket No. 50-413
Technical Specification

Dear Mr. Denton:

My letter of September 26, 1984 transmitted several proposed amendments to the Catawba Technical Specifications. In response to a telephone conversation between several members of your Staff and Mr. Roger Ouellette of Duke Power, attached is a revised proposal in regard to Attachment 1 of my previous letter regarding the Turbine Overspeed Protection System. The justification and safety analysis remains unchanged from that previously submitted.

Very truly yours,

Hal B. Tucker
