1992 Graded Emergency Preparedness Exercise Scenario

Attached for your review and comment is the scenario for the April 29, 1992, Graded Emergency Preparedness Exercise at the South Texas Project Electric Generating Station. The scenario has been held in strict confidence within Houston Lighting & Power (HL&P) to ensure that the players for the graded exercise are not aware of its contents. HL&P requests the NRC consider the attachment as proprietary information pursuant to 10CFR2.790 until after the graded exercise on the basis that public disclosure prior to the exercise could bias the results of the exercise.

If you should have any questions, please contact Mr. M. A. Covell at (512) 972-7479 or me at (512) 972-7205.
