Dear Chief Youngblood:

Michael D. Wiant, Illinois State Museum, has submitted a revised National Register nomination to this office for the archaeological site 11KA179. A copy is enclosed.

Thomas Emerson, Illinois Department of Conservation, staff Archeologist finds cause for designating 11KA179 in the National Register based on the revised nomination. I find the nomination satisfies the documentation required for National Register evaluation and designation.

Contact Thomas Emerson or myself if you have any questions.

Sincerely,

Keith A. Sculle
National Register Coordinator
