Subject: Sebring Utilities Commission Transfer (Amendment 140)

Dear Sir:

Florida Power Corporation (FPC) by letter dated August 16, 1991, requested a change to the operating license to reflect the transfer of Sebring Utilities Commission's 0.4473 percent ownership (possession only) share to FPC. The NRC issued Amendment No. 140 to Crystal River Unit 3 nuclear plant to transfer the shares and requested to be notified immediately when the ownership transfer was completed. The transfer of ownership between FPC and Sebring was completed on March 18, 1992 and became effective at 0001 hours on March 19, 1992. Verbal notification was made and this correspondence is being provided to document closure of this open commitment on the docket.

Sincerely,

P. M. Beard, Jr. for
