

The University of Kansas

April 16, 1992

U. S. Nuclear Regulatory Commission
Washington, D.C. 20555

Attention: Document Control Desk

Re: Docket No. 50-118

This is to inform you that I will be retiring from the University of Kansas effective May 15, 1992. My replacement as reactor director and chair of the nuclear reactor committee will be

Thomas E. Mulinazzi
Associate Dean, School of Engineering
4010 Learned Hall
The University of Kansas
Lawrence, KS 66045
913-864-3881.

Although retired, I will continue as a consultant to the University during the period of decommissioning activity, June 1--December 31.

Another member of the nuclear reactor committee, Professor Russell B. Mesler, will also be retiring in May. His replacement on the committee will be Thomas E. Glavinich, Chair, Architectural Engineering.

Finally, our acting executive vice chancellor, Delbert M. Shankel (Level 1 authority) will be replaced by a permanent executive vice chancellor, Edward L. Meyen. A specific date has not been announced, but August 1, 1992 is probable.

Sincerely,

A handwritten signature in cursive script that reads "Harold F. Rosson".

Harold F. Rosson
Reactor Director
