LIPA's Endorsement of LILCO's
Request for an Amendment to
Indemnity Agreement
Shoreham Nuclear Power Station - Unit 1
Docket No. 50-322

Ref: LILCO (J. D. Leonard, Jr.) letter SNRC-1809 to NRC (Document Control Desk); dated April 29, 1991; subject: LILCO's Request to Amend Indemnity Agreement No. 87.

Gentlemen:

LIPA endorses the request made by the Long Island Lighting Company in the referenced letter. For the reasons contained in the reference letter and in the February 29, 1992 NRC Order Approving Transfer of License, LIPA, holder of NRC license NPF-82, asks the NRC to amend Indemnity Agreement No. 87 to: (1) replace LILCO with LIPA and (2) eliminate LIPA's requirement to participate in the secondary financial protection program.

Your cooperation will be greatly appreciated and should you have any questions or need additional information please do not hesitate to call my office.

Very truly yours,
