Re: Docket No. STN 50-482
NRC Operating License NPF-42

Dear Mr. Reckley:

Per our telephone conversation, enclosed please find a copy of a letter and Application Under Exigent Circumstances to Extend Effective Period of NRC Approval of Transfer of and Amendment to Operating License No. NPF-42 in connection with Merger of Kansas Gas and Electric Company with Kansas Power and Light Company which I am mailing today to the NRC Document Control Desk for filing in the above referenced docket.

If you have any questions or desire other information, please call Richard D. Terrill at (316) 261-6568.

Yours truly,

Hazel E. Sutherland, CLA
Secretary to Richard D. Terrill
