In the Matter of
Philadelphia Electric Company
(Limerick Generating Station, Units 1 and 2)
Docket Nos. 50-352 and 50-353 OL

Ladies and Gentlemen:

This will confirm my conversation with you today that a meeting will be held on Thursday, August 30, 1984 at 10:00 a.m. in Philadelphia to discuss the matters covered by the Licensing Board's scheduling order. As before, we will meet in the lobby of Applicant's offices at 2301 Market Street and proceed from there.

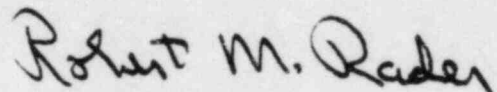

Mr. Love was unavailable for my call and his office advises that he will be away until mid-September. I therefore left word about the meeting and stated that any other representative was welcome to attend. To my knowledge, however, there is no further information regarding the Graterford Prisoners available at this time. I was also unable to reach Mr. Smollen and left word about the meeting with his office.

In order to make the meeting as productive as possible, I have asked Miss Mulligan to prepare and submit any questions regarding the status of planning to Miss Ferkin in advance of the meeting. This will enable Miss Ferkin to obtain the necessary information before the meeting.

Sincerely,

A handwritten signature in dark ink, reading "Robert M. Rader". The signature is written in a cursive style with a large, looped "R" and a trailing flourish.
