Docket Nos. 50-445 and 50-446

LET Mrs. Ellis:

As requested by the Board during the conference call this morning, I am transmitting to you the corrections to the Richmond Insert motion for summary disposition. We are providing these to you now, ahead of our schedule for providing them to the Staff, to assist you in your preparation of the response to Applicants' motion. These corrections are, as follows:

Affidavit of John C. Finneran, Jr., Robert C. Iotti and  
R. Peter Deubler

page 39 - line 2; insert "Mx," after "whether the"  
- line 5; change "Mz" to read "Mx"

Table 2 - title; change "Mz" to read "Mx"  
- note 1; change "All moment constrained" to  
read "Mx moment constrained"

We do not consider these changes to be significant and, thus, do not expect the schedule for filing your answer to the motion to be affected.

Sincerely,
