In the Matter of
Metropolitan Edison Company
(Three Mile Island Nuclear Station, Unit No. 1)
Docket No. 50-289 (Restart - Remand)

Dear Lynne:

Enclosed is Licensee's Third Set of Interrogatories and Third Request for Production of Documents to TMIA, dated August 31, 1984. We had intended to avoid serving these interrogatories and associated document requests on you by limiting such requests to UCS, who had assumed the major responsibility for the litigation of the issues related to these requests, and who could represent the collective views of the participating intervenors. In view of the enclosed letter from counsel for UCS, however, Licensee has no alternative but to serve you with the enclosed discovery request.

Sincerely,

Deborah B. Bauser
