Lynne Bernabei, Esq.
Government Accountability
Project
1555 Connecticut Avenue, N.W.
Washington, D.C. 20036

Dear Lynne:

I enclose a supplemental response to TMIA's first set of discovery requests to Licensee. The enclosed supplement responds to those requests where the Licensing Board in its order of August 31 denied Licensee's motion for a protective order. A supplemental response to Interrogatory 39 is not yet available, but will be provided soon. Affidavits for the responses also will be provided shortly.

Sincerely,

Emie
Ernest L. Blake, Jr.
