

UNITED STATES OF AMERICA  
NUCLEAR REGULATORY COMMISSION

'84 SEP 17 P4:48

BEFORE THE ATOMIC SAFETY AND LICENSING BOARD

In the Matter of

GULF STATES UTILITIES CO.,  
ET AL

DOCKET NOS. 50-458; 06  
50-459 06

(RIVER BEND STATION, UNITS 1 & 2)

FINDINGS OF FACT AND CONCLUSIONS  
OF LAW ON BEHALF OF STATE OF LOUISIANA

NOW BEFORE THE BOARD comes the State of Louisiana  
who, respectfully represents that:

1.

The State does not plan to call separate witnesses  
but rather will rely on the witnesses who will be called by  
the applicant and staff.

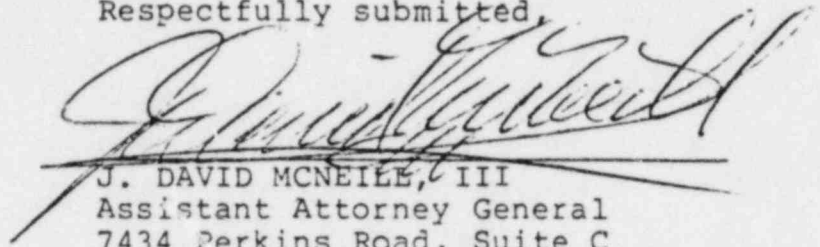

2.

Since the State does not plan to call witnesses of  
its own, it will seek to negate facts sought to be established  
by the applicant. Ergo, the State will not be filing proposed  
findings of fact and conclusions of law. Rather, it will  
designate, on or before the date set by the Board, the facts  
and conclusions of law which the applicant has proposed to

DS03

establish and which the State will attempt to negate.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "J. David McNeille, III", is written over a horizontal line. The signature is fluid and cursive.

J. DAVID MCNEILLE, III
