Mrs. Juanita Ellis
President, CASE
1426 South Polk Street
Dallas, Texas 75224

Subj: Texas Utilities Electric Company (Comanche Peak
Steam Electric Station, Units 1 and 2);
Docket Nos. 50-445 and 50-446 OL

Dear Mrs. Ellis:

I am enclosing herewith our replies to NRC Staff questions concerning Applicants' motions for summary disposition regarding pipe support design issues. These questions generally sought, and our answers provide, additional information confirming the validity of Applicants' positions in the motions. Accordingly, if in view of this additional material CASE believes any of its own objections to Applicants' motions are satisfied, I would expect that you would inform the other parties and the Board so that these issues may be resolved expeditiously.

Sincerely,

William A. Horin
