Subject: Calvert Cliffs Security Plan (SP) Revision 14

Dear Sirs:

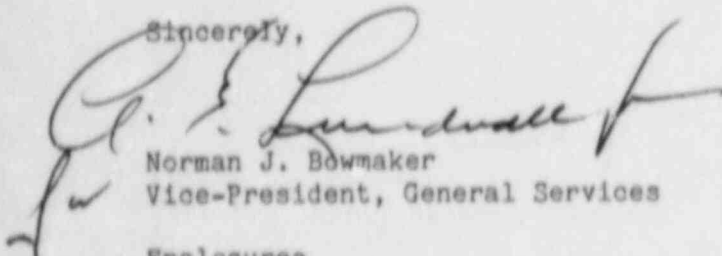

Enclosed is Revision #14 to the Security Plan for Calvert Cliffs Nuclear Power Plan Units 1 and 2. The changes made by the Revision do not decrease the effectiveness of the plan and, therefore, are being submitted to Region I under the provisions of 10 CFR 50.54(P).

The changes made:

- realigns the plan into a format similar to Nureg 0908
- reflects changes in the Security organization
- reflects changes made to the Security system since the last revision
- resubmits for approval a change rejected as a 10 CFR 50.54(P) change in a letter dated September 26, 1983 based upon subsequent conversations and clarifications between BG&E and Region I personnel.

Details concerning all the changes made in this Revision and a matrix to cross reference this Revision with the previous Revision are included as enclosures to this letter.

Sincerely,

Norman J. Bowmaker
Vice-President, General Services
