Re: In the Matter of Comanche Peak Electric  
Station, Nos. 50-445-2 & 50-446-2 -2

Dear Chairman Bloch:

On October 1st, the State of Texas received in the mail a copy of the transcript of the in camera hearing conducted by the Board on September 21, 1984, in the above proceeding. On page 18,375, at lines 1-15, you and Mr. Davidson, an attorney for the Applicant, briefly discuss a protective order as it concerns the State, but do not resolve it.

I am uncertain about my obligations concerning the September 21st transcript and would appreciate your guidance on the matter.

Sincerely,

Renea Hicks  
Assistant Attorney General  
Environmental Protection Division
