Dear Mr. Johnson:

We are transmitting herein revisions to several emergency preparedness related documents. The changes affect the following document binders:

Station RERP Implementing Procedures

In the Station RERP Implementing Procedures, the general format for procedures with worksheets is to file the procedure body under the tab marked with the procedure title, and the worksheets under the tab marked "Attachments," which immediately follows the procedure tab. The following procedures are being transmitted for filing in the station RERP Implementing Procedures.

RERP-CR, Issue 2	RERP-PAG, Issue 3
RERP-DOSE, Issue 6	RERP-PCC, Issue 14
RERP-ECP, Issue 8	RERP-SEOC, Issue 8
RERP-EXP, Issue 2	RERP-SURVEY, Issue 4
RERP-FCP, Issue 11	RERP-THYROID, Issue 3
RERP-FIELD, Issue 6	RERP-TSC, Issue 13
RERP-HOME, Issue 12	RERP-PHONE LISTS, Issue 24
RERP-ORG, Issue 6	

If there is confusion as to which issue is most recent whenever multiple copies are received in a short period of time, the highest issue number is always the most recent issue of a given procedure.
