Dear Mr. Keppler:

DOCKET NOS. 50-266 AND 50-301
ANNUAL RESULTS AND DATA REPORT
POINT BEACH NUCLEAR PLANT, UNITS 1 AND 2

We recently provided you two copies of the Annual Results and Data Report for Point Beach Nuclear Plant, Units 1 and 2, for the year 1984. These copies were sent as enclosures to our letter of March 1, 1985. Subsequent to the printing and distribution of this report, we discovered that Section 3.1 was in error. This section listed the license amendments issued in 1983; it should have listed the license amendments issued in 1984. Accordingly, we have prepared the enclosed errata to the 1984 Annual Results and Data Report. This errata should be inserted in your copies of the report in accordance with the instruction provided.

Very truly yours,

Vice President-Nuclear Power

C. W. Fay
