CASE'S MOTION FOR AN EXTENSION OF TIME

CASE hereby requests an extension of time, to and including December 24, 1984, within which to respond to Applicants' Motion To Vacate November 16, 1984 Memorandum, filed November 26, 1984.

Due to the involvement of CASE's counsel in the ongoing hearings in this matter and numerous other commitments scheduled in the next several weeks, an extension of time is necessary to allow counsel for CASE adequate time to review and prepare a response to Applicants' motion. In addition, counsel for CASE does not believe that an immediate response to Applicants' motion is crucial to these proceedings.
