In the Matter of  
Carolina Power & Light Company and North  
Carolina Eastern Municipal Power Agency  
(Shearon Harris Nuclear Power Plant)  
Docket No. 50-400 OL

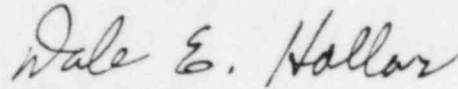

Administrative Judges Kelley, Bright and Carpenter:

Enclosed for your consideration is the Supplemental Affidavit of Edwin H. Harris, Jr. on EPJ-4(a), 4(b) and 4(c). As explained in Mr. Harris' Supplemental Affidavit, the North Carolina Division of Emergency Management has revised its procedure for evacuating schools by reducing the assumed number of students on each school bus and by using only school buses which are kept on school property during school hours. This has necessitated revising some of the information contained in the Affidavits of Jesse T. Pugh, III on EPJ-4(a), 4(b) and 4(c), which were submitted to the Board on January 11 and 14, 1985.

Because the revised information in Mr. Harris' Supplemental Affidavit does not change the basic arguments in Applicants' motions for summary disposition on EPJ-4(a), 4(b) or 4(c), we are not submitting new motions or statements of material facts as to which there is no genuine issue to be heard on these contentions. However, references to the affected sections of Mr. Pugh's Affidavits should be considered amended by the new information in Mr. Harris' Supplemental Affidavit.

Applicants have provided the NRC Staff and Mr. Daniel Read, counsel for CHANGE which is the lead intervenor on EPJ-4, with copies of the Supplemental Affidavit. We have asked both the Staff and Mr. Read to review the Supplemental Affidavit to determine whether it affects their responses to Applicants' motions for summary disposition on EPJ-4(a), 4(b) and 4(c). Applicants or the other parties involved will contact the Board when they have completed their review.

Respectfully submitted,
