Dear Bob:

Attached you will find BNL's report dated January 1985, which addresses the welding allegations at the Midland Nuclear Power Station.

The report has been revised to include format and clarification suggestions made by you and your staff at the meeting in your offices on December 12, 1984.

If you require any additional information please call me.

Very truly yours,

John H. Taylor, Group Leader  
Plant Systems and Equipment Analysis Group
