Bockhold: That's your copy of, uh --

Mosbaugh: Okay

OFFICE OF SECRETARY
DOCKETING & SERVICE
BRANCH

Bockhold: --the evaluation. Okay. The first goal and accountability was associated with the organizational plan and the way I calculated that I took . . . to me like a 4.6 and added all the numbers up and appropriately divided.

Mosbaugh: Okay

Bockhold: So that was very objective and I don't know that there's really much discussion on it. The, uh, next one was associated with teamwork, communication, leadership and inter-department site \ corporate areas OK. I put down the same for you and for Skip. You and Skip achieved peaceful coexistence and the organizations worked effectively together. To achieve complete synergy, more effort will be required.

Mosbaugh: Okay

Bockhold: Both are fully acceptable.

Mosbaugh: Okay

Bockhold: Goals fully achieved, I guess is the terminology.

Mosbaugh: Okay

Bockhold: Basically I combined those for yours and put down an evaluation 4.5 overall. Why don't you read your strengths the way I see them.
