and 50-388

Dear Dr. Murley:

Change U to the Susquehanna SES Physical Security Plan is attached for your review. PP&L has determined that the changes do not decrease the safeguards effectiveness of the plan and may therefore be made without prior commission approval. In accordance with 10CFR50.54(p) and discussions with your Mr. W. Kushner, two copies of Change U are provided directly to Region 1 as an attachment to this letter. Four copies of Change U are being forwarded separately to NRR.

Pursuant to Section 2.790(d) of 10CFR Part 2, the attachment should be withheld from public inspection.

Very truly yours,

B. D. Kenyon
Vice President-Nuclear Operations
