2) Letter KMLNRC 85-055 dated 2/15/85 from
GLKoester, KG&E, to WOMiller, NRC

Subj: Wolf Creek Operating License Payment

Dear Mr. Miller:

This letter is to document that on March 25, 1985, via electronic transfer of funds, Kansas Gas and Electric Company paid to the U.S. Treasury the \$2,073,055 invoiced by the NRC (Reference 1) for the partial operating license review of Wolf Creek.

The NRC has not responded to KG&E's 10CFR170.51 request (Reference 2). The paying of the Reference 1) invoice should not be construed in any manner to prejudice the rights of KG&E to dispute the invoiced amount per 10CFR15.31, or to withhold payment from the NRC's bill for the remainder of the Wolf Creek review. Again, KG&E requests a copy of the NRC's Wolf Creek cost analysis.

Yours very truly,
