MOTION FOR EXTENSION OF TIME TO FILE BRIEF

John Runkle, as counsel for Joint Intervenors, and Wells Eddleman, pro se, move for an extension of time, from April 4, 1985 to April 9, 1985, to file their briefs on the environmental matters in this proceeding. This extension is requested due to a miscalculation of the deadline for this filing, in conjunction with certain difficulties in the production of the briefs.

Counsel for Applicants and NRC Staff have been consulted on this motion and have no objection.

Respectfully submitted,
