Subject: Emergency Plan Exercise Schedule

Dear Sir:

The purpose of this letter is to inform you that Wednesday, April 17, 1985 has been established as the date for conducting the 1985 Emergency Plan Exercise at Vermont Yankee. This date has been coordinated with the Federal Emergency Management Agency (FEMA) and our three Emergency Planning Zone (EPZ) states: Vermont, New Hampshire, and Massachusetts. Please be advised that because our new Emergency Operations Facility (EOF) is not scheduled for completion before November 1, 1985, this exercise will utilize our existing EOF location.

We trust that our exercise schedule is deemed acceptable; however, should you have any questions on this matter, please contact us.

Very truly yours,

R. W. Capstick
Licensing Engineer
