Re: Freedom of Information Act Request

Dear Mr. Grimsley:

Pursuant to the Freedom of Information Act (5 U.S.C. § 552) and U.S. Nuclear Regulatory Commission ("NRC") Regulations (10 C.F.R. Part 9, Subpart A), please provide copies of records pertaining to the following:

The correspondence from S. Tanner Garth dated November 28, 1995 as referenced in the attached letter to Mr. Garth from James Lieberman dated December 20, 1995.

To the degree that any or all of the above-requested records are already publicly available and readily retrievable in the Washington, D.C. area, please provide a list of such records with the appropriate references to facilitate acquisition.

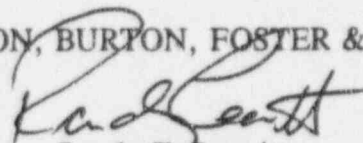

If any or all of this request is denied, please cite the specific exception(s) that supposedly justify the refusal to publicly release the records, and inform me of any appeal procedures available under the law. I would appreciate the handling of this request as quickly as possible and look forward to hearing from you within ten days as required by law. Finally, please advise me of the costs involved in obtaining these records.

If you need any further information to process this request, please do not hesitate to contact me during the business day at (512) 476-4475.
