RE: Georgia Power Company, et al;
Plant Vogtle Operating License Proceeding;
NRC Docket Numbers 50-424 and 50-4250

Dear Laurie:

We have received Mr. Johnson's April 9, 1985 letter to the Board on behalf of Joint Intervenor. Contrary to the letter's suggestion, there was not an agreement to discuss Applicants' response to Joint Intervenor's Second or Fourth Interrogatories. The April 17 meeting was scheduled for the sole purpose of discussing Joint Intervenor's motion to compel answers to Joint Intervenor's Third set of Interrogatories. Neither Applicants nor Joint Intervenor have ever suggested that the April 17 meeting be employed to discuss interrogatories other than those subject to the pending motions to compel.

In addition, Applicants do not accept Joint Intervenor's statement that Intervenor "retain the right" to file additional motions to compel. Under the Commission's Rules of Practice, any motion addressing Applicants' responses to Joint Intervenor's Second Set of Interrogatories was due not later than January 21, 1985 and any motion addressing Applicants' responses to Joint Intervenor's Fourth set was due not later than April 5, 1985. See 10 C.F.R. § 2.740(F). Joint Intervenor have not filed such motions and, under the Commission's Rules, no longer have the right to do so.
