Re: Texas Utilities Electric Company, et al
(Comanche Peak Steam Electric Station, Units 1 and 2)
Docket Nos. 50-445-2 and 50-446-2

Gentlemen:

In his March 29, 1985 letter to this Board, Mr. Roisman notes that Mr. J. R. Wells, the new TUGCO Director, Quality Assurance, previously served as the Corporate QA Manager for Duke Power Company. In this regard, Mr. Roisman refers to the Partial Initial Decision in the Catawba proceeding (19 NRC 1418) and asks the Board to "see particularly pp. 1437-44, 1531-32." If the Board does review that decision, it should also note finding of fact 51 at 19 NRC 1459.

Respectfully,

Robert A. Wooldridge
