DOCKET 50-255 - LICENSE DPR-20 -
PALISADES PLANT - CLARIFICATION OF INSPECTION REPORT 84-21 OPEN ITEM

Consumers Power Company committed to have the procedures required by the Chemistry Program Manual completed by July 1, 1985 at the exit interview for Inspection 84-21. A clarification of this response is warranted to ensure that the commitment is correctly interpreted.

Palisades plant staff intends to complete the Administrative Procedures required by the Chemistry Program Manual by July 1, 1985. Various working level procedures will require modification during the implementation of the Administrative Procedures. The revisions to the subordinate procedures will be completed in a timely manner, but should not be expected to be completed by July 1, 1985. It is our intent that completion of the Administrative Procedures required by the Chemistry Program Manual will satisfy the commitment made with respect to open item 50-255/84-21-01.
