Feb. 10, 1984

Director of the Division of Rules and Records
Office of Administration
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

FREEDOM OF INFORMATION
ACT REQUEST

FOIA-84-102
Rec'd 2-13-84

Dear Mr. Felton:

This request is made under the federal Freedom of Information Act, 5 U.S.C. 552.

Please send us copies of the transcripts of all Nuclear Regulatory Commission meetings held since May 10, 1983 that were closed to the media and the public and at which commission members discussed the restart of Unit 1 of the Three Mile Island nuclear power plant near Middletown, Pa. Among the transcripts we are specifically requesting are the two closed meetings held during the week of Jan. 23, 1984. We understand that these closed meetings occurred on Jan. 24 and Jan. 26, 1984.

As you know, the FOI Act provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. We reserve the right to appeal your decision to withhold any materials.

If possible we would like to review these records to decide if we would like to have copies of them. We would be happy to come to Washington to review these records. If you have any questions about this request please call us at 215-854-6882 (Jim Detjen) or 215-854-6881 (Susan FitzGerald).

Thank you for your assistance. We look forward to receiving your reply within 10 business days, as required by law.
