Docket No. 50-322

Dear Mr. Denton:

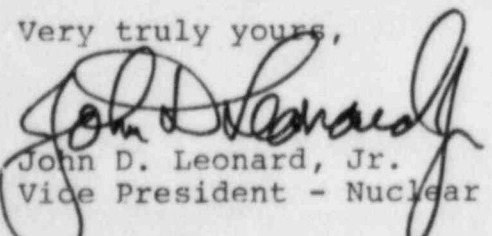

In response to discussions with your Staff, Section 12.0, Planned Implementation Schedule, page 67 of the subject Security Plan is being changed as follows:

The phrase, "prior to fuel loading" in the first paragraph of this section is revised to read, "upon notification of and prior to issuance of the Operating License (OL)".

Throughout the remaining paragraphs on page 67, or any other similar reference throughout the plan, the term "fuel load" is revised to read "OL".

The Security Plan is undergoing revision to reflect the above and will be submitted to the NRC for formal approval in the next revised edition.

Very truly yours,

John D. Leonard, Jr.
