SUBJECT: Management Assessment of PSC

Dear Mr. Johnson:

Public Service Company of Colorado has retained NUS Operating Services Corporation to perform an independent assessment of management controls associated with our nuclear program. A commitment to provide the NRC with the scope of this assessment and a schedule for its performance was verbally given at the November 14, 1984 meeting held with you in Arlington, Texas.

A copy of the scope of this assessment is included herein for your review and comment. As indicated in a telephone call to your offices on November 21, 1984, the following schedule is being implemented by NUS:

Interviews of select PSC employees is scheduled to begin November 27, 1984.

Final assessment and report development will begin January 7, 1985.

The final report will be issued on January 31, 1985.

Please provide me with any comments you may have on the scope of this assessment so that they can be implemented into the program in a timely manner. If I can be of further help on this issue please contact me at (303) 571-8404.

Sincerely,

*Lawrence Brey*
