SUBJECT: Response to Systematic Assessment of Licensee
Performance Board Report No. 50-293/90-99

Dear Sir:

This letter documents Boston Edison Company's receipt and review of the Systematic Assessment of Licensee Performance (SALP) Board Report for Pilgrim Nuclear Power Station (PNPS) covering the period August 16, 1990 through September 28, 1991.

In general, the report provides an assessment of Pilgrim that is consistent with our internal assessments. We will integrate your comments for each of the SALP functional areas into our long term improvements.

We will continue to raise the standards of the Nuclear Organization. Our self-assessment practices have made a major contribution to this result and will contribute to further improvement. Our commitment to improve has the support of the highest levels of the company and extends throughout the Nuclear Organization.
