RE: Draft Environmental Statement - Vogtle Plant
 Burke County, Georgia
 HP 84-11-19-003

Dear Ms. Adensam:

The Historic Preservation Section has reviewed the above referenced project. A review process has been set up for compliance which is appropriate and is working well. We have no concern for this project so long as this system of survey, review and implementation of the Cultural Resource Management Plan is followed.

If we may answer questions concerning these comments, please contact Joe McCannon, Environmental Review Coordinator, at (404) 656-2840.

Sincerely,

Elizabeth A. Lyon
