Gentlemen:

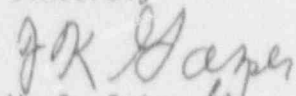

SUBJECT: Application for Amendment of Operating License

Enclosed please find a revision to Omaha Public Power District's (OPPD) "Application for Amendment of Operating License" submitted in Reference 2. The revision includes the additional surveillance requirements contained in the CE Standard Technical Specifications in accordance with the request contained in Reference 3.

This revision supercedes the Application for Amendment submitted by Reference 2. Attachment A contains a markup reflecting the requested changes of the Technical Specification. Attachment B provides a Discussion, Justification and No Significant Hazards Consideration Analysis for the changes requested.

If you have any additional questions, or require further information, please do not hesitate to contact me or members of my staff.

Sincerely

W. G. Gates
Division Manager
