License No. NPF-29
Response to Administrative Letter 96-01,
"Operator Licensing National Examination
Schedule"

GNRO-96/00026

Gentlemen:

Administrative Letter 96-01 (GNRI-96/00031), "Operator Licensing National Examination Schedule", requests licensees to provide the estimate number of candidates to be examined during each of the two annual site visits scheduled for 1996 through 1999 and the estimated number of candidates that will participate in the GFE scheduled for 1996.

The updated information for Grand Gulf Nuclear Station is provided in the attached NRC Form 536. This information represents the best estimate currently available.

Due to the timing of our classes and refueling outages, please schedule our exams for the week of February 16, 1998 rather than January 1998. If you have any questions or require additional information regarding this matter, please contact Bruce Bryant at (601) 437-6316.

Yours truly,

CRH/ams
