Manhattan College Zero  
Power Reactor, Emergency  
Plan Acceptance and  
Implementation

Dear Ms. Chu:

We received notification on October 15, 1984 (Cecil O. Thomas letter dated October 10, 1984) that the Manhattan College emergency plan (submitted on August 26, 1984) is acceptable. The October 10, 1984 letter requested immediate implementation with full implementation within 120 days of October 10, 1984. This letter informs you that we now have achieved full implementation of the emergency plan.

Very truly yours,

*Ronald S. Kane*
