INTRODUCTION

This section is intended to provide detailed immediate action guidance to those emergency response personnel designated to support the North Coventry Township Radiological Emergency Response Plan (RERP). These actions represent the steps necessary to ensure that the general public is adequately protected. However, because conditions for emergency situations may vary, further actions may be dictated through the Chester County EOC or local elected officials.

Guidance for development of these implementing procedures has been provided through the policies contained within the North Coventry Township RERP to which these procedures are annexed.

For ease of reference, implementing procedures have been color-coded by incident classification as follows:

Blue - Unusual Event
Blue - Alert
Yellow - Site Emergency
Pink - General Emergency

Implementing procedures contained herein are assigned to the respective North Coventry Township EMA staff officers:

1. Emergency Management: Emergency Management Coordinator
2. Police Services: Police Services Officer
3. Fire Services: Fire Services Officer
4. Medical/Ambulance Services: Fire Services Officer
5. Communications: Emergency Management Coordinator
6. Transportation: Transportation Officer
7. Public Works: Transportation Officer
8. Radiological: Radiological Officer

NOTE: IF YOU NEED TO DEVIATE FROM THIS PLAN OR IF ANY PROBLEMS ARE ENCOUNTERED, NOTIFY THE COUNTY EOC.
