Re: ER #85-0426-007-A
Issuance of Draft Environmental
Statement - Beaver Valley Power
Station, Unit 2

Dear Mr. Knighton:

The above named project has been reviewed by the Bureau for Historic Preservation in accordance with Section 106 of the National Historic Preservation Act of 1966, Executive Order 11593 and the regulations of the Advisory Council on Historic Preservation (36 CFR 800).

Our review responsibilities cannot be completed without more information. Please forward a description of project activities including any plans for clearing or preparing the site. Locate the project as accurately as possible on a U.S.G.S. 7.5' series topographic map (photocopy acceptable) and if appropriate, larger scale street map. If properties over 50 years old are affected, a clear photograph(s) map expedite the review process.

Sincerely,

Dan Deibler, Acting Chief
Division of Planning & Protection
Bureau for Historic Preservation
