LETTER OF INTENT

TO: Administrator, Coffey County Hospital; Administrator,  
Golden Age Lodge; Administrator, Sunset Manor

FROM: Director, Lyon County Ambulance Service

DATE: January 14, 1985

Because there might arise in Coffey County an emergency or disaster of such proportions as to require the evacuation of the Golden Age Lodge, the Sunset Manor and/or Coffey County Hospital (GRANTEES), we agree, upon request from the Coffey County Health and Medical Management Team Leader, to transport as many evacuees as we can safely accommodate in available vehicles from the GRANTEE(S) facilities to health care facilities in adjacent counties. A listing of vehicles currently in service with the Lyon County Ambulance Service and their capacities is attached hereto at "Exhibit A". Any decision as to available vehicles at the time of the aforementioned request shall be at the sole discretion of the Director of the Lyon County Ambulance Service. We understand that the hospital patients and/or nursing home residents that are transported will have an identification tag listing the patient's name, facility where he/she originated and other appropriate information including any special requirements of that patient/resident. This agreement shall be in force until a revision has been agreed upon by these parties. Any party may be relieved of their obligations hereunder by giving written notice at least twelve (12) months prior to withdrawal.
